

## Children's Interests

As part of looking at different events and festivals the children took part in activities for Eid, creating bunting and dressing up.

## King's Coronation

To celebrate the King's Coronation, we had a tea party, and it was lovely to see some of the parents attend and join in the races and see some of the children dress up for the occasion. The children had made crowns the week before and, on the day, took part in races and an obstacle course as well as drawing their faces under a crown.

## School Leavers

The school leavers have been attending their transition groups. To get them familiar with a school routine a register is taken at the start of their sessions. They have been looking at the days of the week and talking about the weather. They have also been talking about their school and what they will be doing and have drawn their own pictures. In the coming weeks they will continue to look at letters and numbers.

## Breakfast Reminder

Just a reminder that breakfast is served until 8.20am as this allows breakfast to be over at 8.30 and the room to be set up for the children to start their day. Please ensure your child arrives before 8.20 if you want them to have toast and cereal.

## Eco Update

You can follow our eco journey on the Quaggy website:
