

Quaggy Nursery Newsletter October 2026

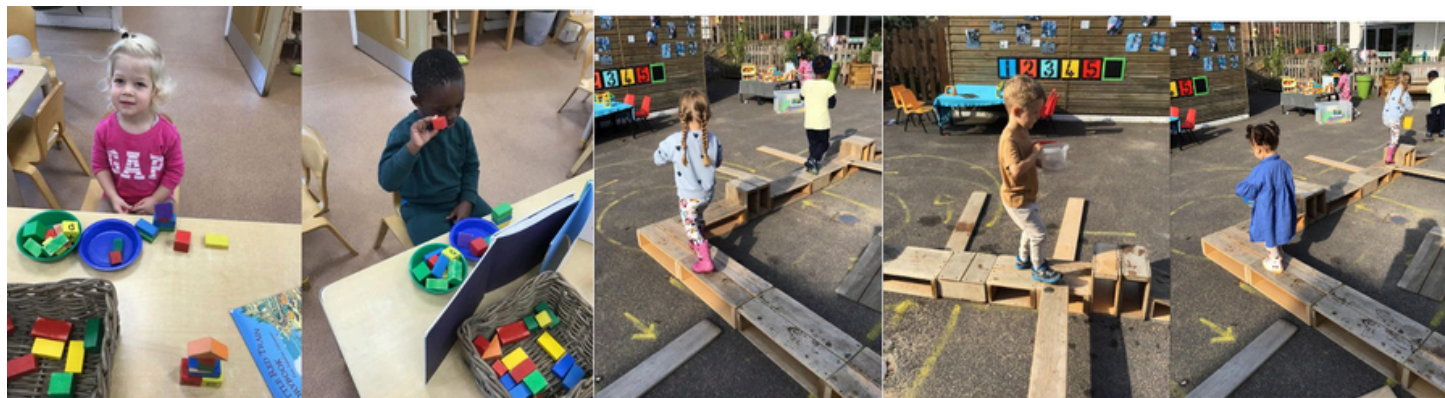

Dear Parents and Carers, Welcome to the October Newsletter

Dear Parents/Carers,

What the children's interests have been:

The children have been participating in activities on listening and responding to verbal instructions. One activity involved matching blocks to the model being built behind a barrier, and the children engaged well throughout the activity and demonstrated good listening skills. They also engaged in acting out nursery rhymes and in particular 'Jack and Jill' where they carried buckets of water over the blocks.

School Leavers 2027

If your child is starting at Reception in September 2027, you need to apply for a primary school place between September 2026 and 15 January 2027. For more information:

<https://www.royalgreenwich.gov.uk/schools-and-education/apply-school-place/apply-primary-school-place>

Harvest

A reminder we are still collecting items for Harvest Festival and all goods given will be handed into our local foodbank to help those who need it most. We would love you to donate goods, such as: tinned meat, tinned fish, tinned soup, tinned baked beans and vegetables, one litre cartons of long life milk and bags of rice. All items will be gratefully received. Please hand in all donations to the office by Friday 9th October.

Timetable

A reminder that the Children's Centre's online timetable for September to December is on the website -

www.quaggydevelopmenttrust.org

Famly

Please check the Famly app regularly for important updates, observations, and accident reports/medication forms that need your acknowledgment.

Eco Update

We are excited to be starting our Eco Schools Green Flag journey 2026-2027. Eco Schools Early Years is a 7-step programme delivered between September and July. It helps us to introduce more eco-themed learning activities with children and make our nursery more sustainable. We will be focussing on monthly eco topics: Transport, Global Citizenship, Marine Life, Water, Biodiversity and Healthy Living. Follow our journey on Family and social media.
